Das erste Mars-Galliculus-Solo-Album nach dem Ende der Piss Köpex. Sehr gemischt und durchwachsen.

The first Mars Galliculus solo album after the break up of Piss Köpex. Very mixed in style and quality.

Subject: Very well done!

This is the best album I've ever heard! You have a cool music style, and I like the voice of the singer! My favorite Songs are "Mind Rapists" and "Inner Stranger". Keep up that great work!

Subject: This sucks

This is aural torture. Besides being a complete mess musically, there is no continuity of style. There is no attempt made to compose a "tune" or even maintain a key, let alone a pitch. The "singer" when he "sings" forgets where he is in the rythm, does not sing in tune, and the quality of his voice is grating and irritating.

This honestly sounds like it was composed by 12-year-old with a drum machine and a
